

**UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS**

UNITED STATES OF AMERICA

vs.

FAITH NEWTON,

Defendant

Case No. 21-CR-10035-ADB

NOTICE CONCERNING ADMITTED EXHIBIT 654

The United States respectfully provides this notice to the Court concerning previously admitted Exhibit 654.

Exhibit 654, which consists of the content of text messages exchanged between the defendant, Faith Newton, and the government's witness, Adriana O'Donoghue, was admitted into evidence during the second day of testimony in this case. *See* Trial Transcript, June 29, 2023 at 129-130. Subsequently, the defendant sought to exclude certain of the text messages sent by Adriana O'Donoghue on the grounds that they were hearsay and they were not made admissible under exceptions for co-conspirator statements or adopted admissions, or to provide context to statements made by Newton.

After reviewing the relevant messages, the government does not object to the proposed redactions and the parties have agreed to replace the previously version of Exhibit 654 with a version that omits the objected-to statements.
